Safety Data Sheet

NFFA Hazard Code (Health, Flammability, Reactivity):
HPCA Hazard Code (Health, Flammability, Reactivity):
SIC CODE 20 (Food and Kindred Products)

Date last revised: 02/07/13

Page 1 of 8

I. Identification

(a) Product Identifier used on the label:
   Eye Wash Sterile Isotonic Phosphate Buffered Solution

(b) Other means of identification: Outer Carton (if applicable)

(c) Recommended use of the Chemicals and restrictions on use; None

(d) Name, address, and telephone number of the chemical manufacturer, importer or other responsible party:
   ALTAIRE Pharmaceuticals, Inc. P. O. Box 849 • 311 West Lane
   Aquibogue, N. Y. 11931 631-722-5988

(e) Emergency phone number: 631-722-5988

2. Hazard(s) Identification

(a) Classification of the chemical in accordance with paragraph (d) of §1910.1200; Mixture

(b) Signal word hazard statement(s), symbol(s) and precautionary statement(s) in accordance with paragraph (f) of §1910.1200. (Hazard symbols may be provided as graphical reproductions in black and white or the name of the symbol, e. g., flame, skull and crossbones); None
Safety Data Sheet

Product Name: Eye Wash Sterile Isotonic Phosphate Buffered Solution

(b) Signal word hazard statement(s), symbol(s) and precautionary statement(s) in accordance with paragraph (f) of §1910.1200. (Hazard symbols may be provided as graphical reproductions in black and white or the name of the symbol, e.g., flame, skull and crossbones); None

c) Describe any hazards not otherwise classified that have been identified during the classification process; None

d) Where an ingredient with unknown acute toxicity used in a mixture at a concentration ≥1% and the mixture is not classified based on testing of the mixture as a whole, statement that x% of the mixture consists of ingredient(s) of unknown acute toxicity is required. None

3. Composition/Information on ingredients Except as provided paragraph § 1910.1200.

For Substances

(a) Chemical Name; None

(b) Common name and synonyms; None

(c) CAS number and other unique identifiers; None

(d) Impurities and stabilizing additives which are themselves classified and which contribute to the classification of the substance. None
Mixtures In addition to the information required for substances

(a) The chemical name and concentration (exact percentage) or concentration ranges all ingredients which are classified as health hazards in accordance with paragraph (d) of § 1910.1200 and

(1) Are present above their cut-off concentration limits; or
(2) Present a health risk below the cut-off concentration limits.

(B) The concentration (exact percentage) shall be specified unless a trade secret claim is made in accordance with paragraph § 1910.1200, when there is batch-to-batch variability in the production of a mixture, or for a group of substantially similar mixtures (See A. 0. 5. 1.2) with similar chemical composition. In these cases, concentration ranges may be used.

For All Chemicals Where a Trade Secret is Claimed

Where a trade secret is claimed in accordance with paragraph (I) § 1910.1200, a statement that a specific chemical identity and/or exact percentage (concentration) of comparison has been withheld as a trade secret is required.

---

4. First Aid Measures

a) Description of necessary measures, subdivided according to the different routes of exposure i.e., inhalation, skin and eye contact, and ingestion; For use in the eye(s) only.

b) Most important symptoms/effects, acute and delayed. None

c) Inhalation of immediate medical attention and special treatment needed, if necessary. None
5. Fire-Fighting measures

(a) Suitable (and unsuitable) extinguishing media. N/A

(b) Specific hazard arising from the chemical (e.g., nature of any hazardous combustion products). N/A

6. Accidental release measures

(a) Personal precautions, protective equipment, and emergency procedures. N/A

(b) Methods and materials for containment and cleaning up. Use absorbent materials, cotton cloth etc.

7. Handling and storage

(a) Precautions for safe handling. N/A

(b) Conditions for safe storage including incompatibility. Store at room temperature.

8. Exposure controls/personal protection

(a) OSHA permissible exposure limit (PEL), American Conference of Governmental Industrial Hygienist (ACGIH) Threshold Limit Value (TLV), any other exposure limit used or recommended by the chemical manufacturer, importer or employer preparing the safety data sheet, where available. N/A

(b) Appropriate engineering controls. N/A

(c) Individual protection measures, such as personal protective equipment. N/A
Product Name: Eye Wash Sterile Isotonic Phosphate Buffered Solution

10. Stability and reactivity

(a) Reactivity; N/A
(b) Chemical Stability; N/A
(c) Possibility of hazardous reactions; N/A
(d) Conditions to avoid (e.g., static discharge, shock, or vibration); N/A
(e) Incompatible materials; N/A
(f) Hazardous decomposition products; N/A

11. Toxicological information

Description of the various toxicological (health) effects and the available data used to identify those effects, including:

(a) Information on the likely routes of exposure (inhalation, ingestion, skin and eye contact); For use in eye(s) only.

(b) Symptoms related to the physical, chemical and toxicological characteristics; N/A

(c) Delayed and immediate effects and also chronic effects from short- and long term exposure; N/A

(d) Numerical measures of toxicity (such as acute toxicity estimates); N/A
Safety Data Sheet

Product Name: Eye Wash Sterile Isotonic Phosphate Buffered Solution

(e) Whether the hazardous chemical is listed in the National Toxicology Program (NTP) Report on Carcinogens (latest edition) or has been found to be a potential carcinogen in the International Agency for Research on Cancer (IARC) monograph (latest edition), or by OSHA, N/A

12. Ecological information (Non-mandatory)

(a) Ecotoxicity (aquatic and terrestrial, where available); N/A
(b) Persistence and degradability; N/A
(c) Bioaccumulative potential; N/A
(d) Mobility in soil; N/A
(e) Other adverse effects (such as hazardous to the ozone layer). N/A

13. Disposable considerations (Non-mandatory)

Description of waste residues and information on their safe handling and methods of disposal, including the disposal of any contaminated packaging. Waste must be disposed of in accordance with federal, state and local environmental control regulations.

14. Transport information (Non-mandatory)

(a) UN Number; N/A
(b) UN proper shipping name; N/A
(c) Transport hazard class(es); N/A
d) Packaging group, if applicable; N/A
Safety Data Sheet

Product Name: Eye Wash Sterile Isotonic Phosphate Buffered Solution

(e) Environmental hazards (e.g., Marine pollutant (Yes/No); N/A

(f) Transport in bulk (according to Annex II of MARPOL 73/78 and the lbc Code; N/A

(g) Special precautions which a user needs to be aware of, or needs to comply within connection with transport or conveyance either within or outside their premises. N/A

15. Regulatory information (Non-mandatory)

Safety, health and environmental regulations specific for the product in question.

16. Other information, including date of preparation or last revision

The date of preparation of the SDS 02/07/13 change it to 02/21/14 Rev 01 due to revision of format and content.
